

Reset Password Admin OpenCart Melalui phpMyAdmin

Lupa password Admin OpenCart?

Tidak usah khawatir dan bingung, kita bisa meresetnya dengan mudah melalui phpMyAdmin di cPanel kita. Langsung saja,

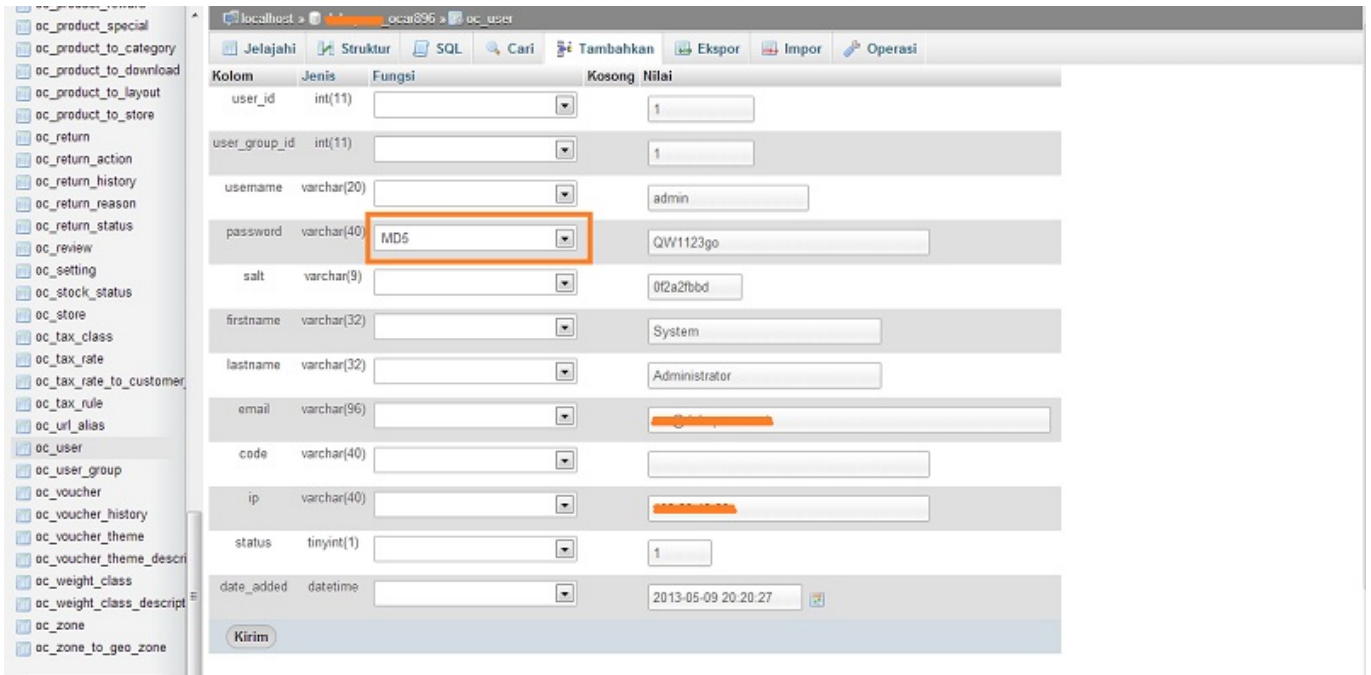

1. Login cPanel
2. Pilih menu "phpMyAdmin" pilih database opencart kita lalu pilih tabel "oc_user"

The screenshot shows the phpMyAdmin interface for the 'oc_user' table. The table structure is visible, and the 'admin' user is selected for editing. The 'password' field is highlighted, indicating it is the field to be updated. The 'function' column is also visible, and the 'admin' user is currently set to 'MD5'.

user_id	user_group_id	username	password	salt	firstname	lastname	email	code	ip	status
1	1	admin	5d467c00d363d7b340b483a9b73e8b4	0f2a2fbbd	System	Administrator			103	1

3. Klik edit, pada baris "password" masukan password baru kita tapi jangan lupa ganti kolom "function" mejadi MD5

4. Setelah itu klik “Kirim” / “Go”

5. Selamat password kita sudah berhasil direset dan silakan dicoba kembali login ke halaman admin opencart kita.

Semoga membantu ^_^
